Important Information

Melamine & Timber Veneer Finishes

Our Melamine timber look finishes come in Driftwood, Nordic Ash, French Oak, Original Oak, Premium Ply, Honey Ash, Classic Walnut, Smoked Ash, Southern Oak, Hickory Walnut, Black Forest, and Charred Oak. Our Melamine finish is a resilient low-pressure laminate, making it a preferred option for bathroom furniture due to its easy care. Our Timber Veneer options include White Oak, Natural Oak, Walnut, Chestnut, Coffee, Noce, and Dark Oak. As 100% natural products, each may exhibit unique variations in grain and colour and our Walnut & Natural Oak Veneer finishes will gradually take on a warm golden tone over time.

Paint Finishes

Bath Co's flawless cabinetry finish is achieved through our high-tech polyurethane paint layering process, where every panel is painted and heated at least five times. This process creates our signature, hard paint finish, making our furniture highly durable and silky smooth, backed with a five-year warranty. Custom Colours are hand sprayed and finished.

Kordura Tops

Laundry solid Kordura surface is extremely durable, hard yet soft to feel. It is water, heat and stain resistant. It is nonporous, low VOC and silica free so is easily maintained and very hygienic. Laundry solid Kordura tops are available in seven colours and all tops are supplied Matte.

Tap Holes

Kordura tops are not pre-drilled for tap holes – it is the responsibility of the installer to cut these. These hybrid solid surfaces hold solid colour throughout and can be easily cut or drilled with a router, jigsaw or hole saw.
